

ORGANIC PUPPY FOOD

A yellow Labrador puppy is sitting on a teal ribbon banner. The banner has a white puzzle-piece pattern and the text '100% NATURAL INGREDIENTS' in white, sans-serif font.

100%
NATURAL
INGREDIENTS

ORGANIC PUPPY FOOD

High-quality Organic free-range chicken from Canada is the main source of proteins.

100% all-natural Alaskan Salmon, a great source of calcium, omega-3, vitamin B & D and minerals.

Organic vegetables, including carrots and green beans, full of iron, essential vitamins and fiber.

Sustainable and
Organic dog food

NUTRITIONAL BENEFITS

Essential fats, vitamins and minerals maintains bones, teeth and your pup's general health.

High-quality protein builds muscles, and helps in the development of organs and bones.

Healthy carbohydrates provide efficient energy for intensive play and cognitive tasks. The fiber also helps promote good digestive health and prevents heart disease.

CACI ORGANIC PUPPY FOOD

uses our special blend of natural ingredients that makes sure your loving puppy gets everything it needs for a happy, healthy, and active life.
